

Purley Pre-School Summer Term 2017

Welcome!

Welcome to a new term at Purley Pre School. We hope you had an enjoyable Easter break.

Staff Changes

We are pleased to welcome two new members of staff this term. Claire Allen is joining us for Wednesday Sessions and Rachel Batchelor for our Friday sessions.

Outdoor Play

We positively encourage the children to engage in outdoor play every day.

We have a water tray, mud pit and sand tray which the children are able to access every day. Please ensure your child brings a change of clothes.

Water Bottles

Please ensure your child brings a named water bottle to pre school every day. Water and milk will continue to be offered at snack time.

Clothing

We have a small supply of spare clothes but we do get messy and have accidents - children need to bring a named change of clothes each day. Please also ensure that coats, jackets, lunch boxes and water bottles etc. are named.

Observations, Assessment and Planning

Each child is allocated a member of staff when they join pre school. We use our observations of the children at play to plan for their next steps based on their current interests, seasonal and topical themes.

We use an online system called Tapestry to record development. All parents have access to this system and you should be able to log in at any time to view your child's online journal.

Finally.....

Don't forget to "like" us on Facebook @ Purley Pre-School for regular updates and check in with our Website at purleypreschool.co.uk for staff updates, information on our key person system, The Early Years Foundation Stage Framework, our policies and procedures, meet the Committee and more.
