

# Purley Pre-School Spring Term 2017

## Pre - School are moving!

It is with the greatest pleasure we can announce that from September 2017 we have been offered secure, independent accommodation on the site of Long Lane Primary School, enabling us to extend our opening hours and offer morning and afternoon sessions Monday to Friday.

This is a very exciting time for Pre-School. We can confirm that we will continue to operate as Purley Pre School offering an early years play and learning environment to children in Purley, Tilehurst and surrounding areas.

We shall shortly be arranging an open day on the site for all existing and prospective parents. In the meantime should you have any questions please do speak to myself or another member of staff.

## Dates for your diary
