### **Lunch Club**

We are sure you are aware of the difficulties many Early Years providers are encountering with the current level of funding provided by the government. Purley Pre-School is no different.

We currently (and will continue to) offer lunch club for the children between 11.45am and 12.15pm.

At present, this is charged at £2.50 per day or FREE when children attend all day. This is no longer sustainable in the current climate and with immediate effect we will be changing the way we offer lunch club as follows:

#### **Children accessing pre-school on a funded basis**

Children accessing pre-school on a funded basis but not accessing their FULL 15 or 30 hour entitlement will have the remainder of that entitlement allocated to fund their lunch-club, whether accessed as part of a half day or full day. Funding will always be allocated to cover sessional fees in the first instance, then any remainder allocated to lunch club.

For children whose funding is split between settings, parents will need to speak to myself or Kerry Savage to discuss how funding will be allocated.

Lunch club accessed as part of a half-day only must be covered by funding or fees.

#### **Children accessing pre-school on a fee-paying basis**

Children of fee-paying parents will continue to benefit from a "FREE" lunch club when they attend all day. Lunch club will be charged at £2.50 per session for children only accessing one session a day plus lunch club.

Please speak to myself or Kerry Savage should you require any clarification.

Many thanks

**Alison Turner**
